**FIRST AMENDED CLASS ACTION COMPLAINT  
JURY TRIAL REQUESTED**

---

COME NOW, Keary Burger and Phyllis Burger ("Plaintiffs"), by and through counsel, and file their First Amended Class Action Complaint, for individual relief, and for relief of a class of persons similarly situated to themselves, against Defendants USAA Casualty Insurance Company ("USAA CIC") and John Does 1-10 ("John Docs"), and allege as follows:

**I.  
PARTIES**

1. At all relevant times, the Plaintiffs were adult resident citizens of Harrison County, Mississippi, who lived at 608 Lewis Avenue, Gulfport, Mississippi.
2. Defendant USAA CIC is a stock company wholly owned by United Services Automobile Association, which is a Delaware corporation domiciled in the State of Texas, with its principal office and place of business located at 9800 Fredericksburg Road, San Antonio, Texas 78288, and which may be served with process by service on its agent for service of process Robert S. Addison, 4400 Old Canton Road, Suite 400, Jackson, Mississippi 39211, or on

the Mississippi Insurance Commissioner, P.O. Box 79, Jackson, Mississippi, 39205-0079, pursuant to Mississippi Code Annotated §83-21-1.

3. Defendants John Does 1-10 are entities affiliated with Defendants and/or who have acted in concert with Defendants and whose identities are currently unknown. All allegations and claims asserted herein against Defendants are incorporated herein by reference against John Does 1-10. Said John Does, when their identities are known, will be identified by name and joined in this action, if necessary, pursuant to the Mississippi Rules of Civil Procedure.

**II.  
SUBJECT MATTER AND PERSONAL JURISDICTION**

4. This Court has jurisdiction over the subject matter and Defendants in this case pursuant to 28 U.S.C. §1332 because there is complete diversity of citizenship between Plaintiffs and Defendants and the amount in controversy exceeds \$75,000.00.

**III.  
VENUE**

5. Venue in this cause is proper in this Court pursuant to 28 U.S.C. §1391, because this suit respects real and personal property which is within the Southern District of Mississippi. This suit also respects conduct, acts and/or omissions of the Defendants which occurred within the Southern District of Mississippi.

**IV.  
FACTS**

6. Plaintiffs purchased from Defendants a standard Homeowner's Policy. A copy of the subject policy is attached as Exhibit "A" to this Complaint. Plaintiffs' Policy was in effect on August 29, 2005.

7. The subject policy provides “all risk” coverage for all “direct physical loss” to Plaintiffs’ “Dwelling” and “Other Structures” unless the proximate and efficient cause of the loss is one that is expressly excluded by the policy, stating as follows:

COVERAGE A - DWELLING and  
COVERAGE B - OTHER STRUCTURES

We insure against risks of *direct, physical loss* to property described in Coverages A and B;

...

8. This broad “all risk” coverage includes coverage for loss proximately and efficiently caused by hurricane wind as well as for *objects* driven by the hurricane wind and/or hurricane storm surge.

9. The subject policy also provides coverage for “direct physical loss” to Plaintiffs’ “Personal Property” proximately and efficiently caused by a Hurricane, which is considered a “windstorm,” stating as follows:

COVERAGE C - PERSONAL PROPERTY

We insure for *direct physical loss* to the property described in Coverage C caused by a peril listed below unless the loss is excluded in SECTION I – EXCLUSIONS.

...

2. Windstorm or hail.

10. The subject policy further provides coverage for a “Collapse” of the Plaintiffs’ Dwelling, Other Structures and/or Personal Property proximately and efficiently caused by hurricane wind and/or water borne debris impacting the Plaintiffs’ properties.

11. In the late 1990's, DEFENDANTS effected a mandatory modification of the policy raising the deductible for hurricane-caused losses. DEFENDANTS subjected Plaintiffs and other policyholders to more risk of loss from hurricanes through the “Wind and Hail”

Deductible (“Hurricane Deductible”) of 1% or more of the subject policy, to ensure coverage for any and all damage to Plaintiffs’ insured property proximately caused by a hurricane, above the deductible limit.

12. During the time Plaintiffs’ policy was in effect, DEFENDANTS requested and received premium rate increases and/or retained risk (deductible) increases for Plaintiffs’ policies from the Mississippi Department of Insurance. Said increases were justified by DEFENDANTS by the hurricane risks associated with Coastal properties. DEFENDANTS utilized hurricane-specific experience ratings and computer model projections of hurricane losses to corroborate their demands for such rate increases. DEFENDANTS did not distinguish or differentiate between hurricane wind and water perils in requesting and setting these rate increases.

13. For such coverage, Plaintiffs agreed and paid DEFENDANTS annual premiums. Plaintiffs also agreed to pay the Hurricane Deductible to ensure insurance coverage for any and all accidental direct physical loss caused by a hurricane above the deductible limit, including all damage proximately and efficiently caused by hurricane wind.

14. Plaintiffs purchased their policies from DEFENDANTS for, *inter alia*, the express and primary purpose of insuring against any accidental direct physical loss that could proximately and efficiently result from hurricanes impacting the Mississippi Gulf Coast.

15. On August 29, 2005, within the periods of coverage of the subject policies, the insured “Dwelling” and “Other Structures” (hereafter “dwelling”) and the “Personal Property” of Plaintiffs were significantly damaged and destroyed by Hurricane Katrina. These were “direct physical losses” covered under the subject policies.

16. The “direct physical loss” Plaintiffs’ insured property sustained was proximately and efficiently caused by covered events that occurred in the absence of water, thereby triggering full coverage for all Plaintiffs’ hurricane losses.

17. Hurricane Katrina’s devastating and catastrophic wind activity occurred 4-6 hours before the peak hurricane storm surge, and completely destroyed Plaintiffs’ property prior to the arrival of any storm surge.

18. The meteorological and physical evidence at the site of the insured property and the accounts of eyewitnesses also establish that the insured property was completely destroyed by wind activity prior to any storm surge.

19. In accordance with policy provisions, Plaintiffs notified DEFENDANTS of their “direct physical losses.”

20. However, DEFENDANTS failed to fairly, adequately, and sufficiently investigate or adjust Plaintiffs’ losses.

21. Based on its inadequate claims investigation and adjustment and, in certain instances, engineering reports that were speculative, inadequate, and inconclusive concerning the extent to which Plaintiffs’ losses were caused by water or water-borne debris, if any, and how much of the losses were caused by hurricane wind, DEFENDANTS denied Plaintiffs’ claims for hurricane damage and failed to pay Plaintiffs for the amount of their losses that it could not prove was caused by hurricane water. In denying Plaintiffs’ claims, DEFENDANTS cited their “water damage” exclusion and the “anti-concurrent cause clause,” which state as follows:

1. We do not insure for loss caused directly or indirectly by any of the following. Such loss is excluded regardless of any other cause or event contributing concurrently or in any sequence to the loss.

c. **Water Damage**, meaning:

- (1) flood, surface water, waves, tidal water, overflow of a body of water, or spray from any of these, whether or not driven by wind.

22. DEFENDANTS' anti-concurrent causation clause is ambiguous and unenforceable. DEFENDANTS' reliance on the above-cited ambiguous and unenforceable anti-concurrent causation clause to deny Plaintiffs' hurricane claim was negligent, grossly negligent, a breach of the subject contract of insurance, a breach of the duty of good faith and fair dealing and a tortious breach of the subject contract.

23. DEFENDANTS denied Plaintiffs' insurance claims even though they failed as a matter of fact and Mississippi law to: (1) sufficiently investigate the claims; (2) carry their affirmative burden of establishing by a preponderance of the evidence at the time of the denial that Plaintiffs' losses were proximately and efficiently caused by "Water Damage" as defined in the exclusion; (3) carry their affirmative burden of establishing by a preponderance of the evidence at the time of the denial the amount of Plaintiffs' losses caused by "water", the amount caused by wind, and the amount caused by water-borne debris; or (4) pay Plaintiffs for the amount of their losses that DEFENDANTS could not prove by a preponderance of the evidence was caused by "water." As a result of DEFENDANTS' failures, Mississippi law precludes reliance on the anti-concurrent causation exclusion or the "water damage" exclusion and raises a duty to pay Plaintiffs for the full amount of their losses. DEFENDANTS' failure to pay Plaintiffs all insurance proceeds promptly upon completion of their alleged investigations is without legitimate or arguable reason in fact or law.

24. Although Plaintiffs fulfilled any and all obligations imposed upon them under their Policy, DEFENDANTS failed to properly pay Plaintiffs for all loss or damage to Plaintiffs' dwelling and personal property contained therein. Plaintiffs should have received payment for

general contractor's overhead and profit with their initial payment from DEFENDANTS. Although the services of a general contractor were anticipated and required because of the loss and damage to Plaintiffs' dwelling, DEFENDANTS made no payment to Plaintiffs for general contractor's overhead and profit. DEFENDANTS frequently and arbitrarily fail to make payments for general contractor's overhead and profit when paying their insureds' claims for loss or damage to dwellings in Mississippi and throughout the United States.

25. DEFENDANTS' investigations, adjustments, and denials of Plaintiffs' claims were negligent, grossly negligent, and reckless. DEFENDANTS' denials of coverage for Plaintiffs' losses breached the subject contract of insurance. Such conduct also constitutes bad faith and tortious breach of contract and breached the duty of good faith and fair dealing.

V.

**COUNT ONE**

**NEGLIGENCE/GROSS NEGLIGENCE/RECKLESS DISREGARD FOR RIGHTS OF PLAINTIFFS**

26. Plaintiffs hereby incorporate and adopt by reference each and every allegation set forth in all foregoing Paragraphs of the Complaint.

27. DEFENDANTS had a duty under Mississippi law to fully, fairly, adequately and correctly investigate and adjust Plaintiffs' claims for hurricane damage.

28. DEFENDANTS breached this duty by failing to adequately investigate and adjust Plaintiffs' claims for hurricane damage.

29. DEFENDANTS breached this duty by denying Plaintiffs' claims without meeting the affirmative burden of proving at the time of the denial by a preponderance of the evidence that Plaintiffs' losses were proximately and efficiently caused by "water damage," a peril excluded by the policy.

30. DEFENDANTS breached this duty by denying Plaintiffs' claims without meeting the affirmative burden of establishing at the time of the denial by a preponderance of the evidence which amount of Plaintiffs' losses was caused by "water" or other excluded activity as defined in the subject insurance policies and which amount was caused by wind or other covered activity.

31. Similarly, DEFENDANTS breached this duty by failing to pay Plaintiffs for the damage it could not prove by a preponderance of the evidence was caused by "water."

32. DEFENDANTS breached this duty by shifting to Plaintiffs the burden of proving that their loss was not excluded by the policy.

33. DEFENDANTS breached this duty by dispatching adjusters to investigate, adjust, and deny Plaintiffs' losses who did not have the qualifications or training to determine the cause of Plaintiffs' losses.

34. DEFENDANTS breached this duty by failing to properly train their adjusters on how to investigate and adjust Plaintiffs' losses.

35. DEFENDANTS breached this duty by basing the denial of Plaintiffs' claims for hurricane damage on the investigation and adjustment of unqualified adjusters.

36. DEFENDANTS breached this duty by failing to adequately inspect, investigate or adjust the insured property prior to denying the claims, including by failing to compensate Plaintiffs for general contractor's overhead and profit.

37. DEFENDANTS breached this duty by denying coverage for Plaintiffs' losses without conducting a complete, adequate, full, and fair investigation and adjustment of Plaintiffs' claims for damage under the subject policies.

38. DEFENDANTS breached this duty by failing to credit any available statements from eyewitnesses in investigating and adjusting Plaintiffs' claims.

39. DEFENDANTS breached this duty by failing to utilize objective meteorologists or structural engineers to determine the cause of Plaintiffs' losses prior to denying their claims.

40. In claims where such engineering reports were utilized, DEFENDANTS breached this duty by denying Plaintiffs' claims on the basis of scientifically unreliable engineering reports.

41. DEFENDANTS breached this duty by relying on unreliable meteorological data and mischaracterizing, perverting and ignoring valid meteorological data and eyewitness accounts in denying the claims.

42. DEFENDANTS breached this duty by denying Plaintiffs' claims without knowing what caused the losses or undertaking any effort to ascertain what caused the losses.

43. DEFENDANTS breached this duty by failing to pay Plaintiffs for their hurricane losses caused by hurricane wind, wind-driven debris, and water-borne debris.

44. DEFENDANTS breached this duty by relying on an ambiguous and unenforceable anti-concurrent causation clause to improperly deny Plaintiffs' claim.

45. Such conduct as alleged above constitutes negligence, gross negligence, and/or reckless disregard for Plaintiffs' rights as DEFENDANTS' insureds.

46. DEFENDANTS' negligent, grossly negligent, and/or reckless adjustment proximately caused Plaintiffs' economic and emotional damages.

**COUNT TWO**  
**BREACH OF CONTRACT AGAINST DEFENDANTS**

47. Plaintiffs hereby incorporate and adopt by reference each and every allegation set forth in all foregoing Paragraphs of the Complaint.

48. Plaintiffs entered into an insurance contract with DEFENDANTS in which they contracted for, purchased, and were entitled to receive full insurance coverage for all “direct physical loss” or “collapse” to the insured Dwelling, as well as loss of use. Plaintiffs similarly contracted for insurance coverage for all “accidental direct physical loss” to their personal contents proximately and efficiently caused by hurricane wind.

49. Plaintiffs suffered a “direct physical loss.”

50. The overwhelming meteorological and physical evidence at the site of the insured property, the surrounding area, and evidence provided by eyewitnesses established that the insured property was proximately and efficiently damaged by wind activity in the absence of and prior to the arrival and inundation of any storm surge.

51. Plaintiffs satisfied their obligations by submitting a claim showing that they sustained a “direct physical loss.” However, DEFENDANTS breached the subject policy by unjustifiably denying insurance coverage for Plaintiffs’ insured losses in the following ways:

52. DEFENDANTS breached their contractual obligations by denying Plaintiffs’ claim without meeting their affirmative burden of proving at the time of the denial by a preponderance of the evidence that Plaintiffs’ direct losses were proximately and efficiently caused by “water damage,” a peril excluded by the policy.

53. DEFENDANTS breached their contractual obligations by denying Plaintiffs’ claims without meeting their affirmative burden of establishing at the time of the denial by a preponderance of the evidence which amount of Plaintiffs’ loss was caused by “water” and which amount was caused by wind.

54. Similarly, DEFENDANTS breached their contract by failing to pay Plaintiffs for the damage they could not prove by a preponderance of the evidence was caused by "water."

55. DEFENDANTS breached their insurance contract by shifting to Plaintiffs the burden of proving that their losses were not excluded by the policy.

56. DEFENDANTS breached their insurance contracts by denying Plaintiffs claim for hurricane damages without being able to meet their burden of proving by a preponderance of the evidence that Plaintiffs losses were not caused by covered wind activity.

57. DEFENDANTS breached their insurance contract by failing to conclusively and objectively determine the proximate and efficient cause of the losses prior to their denial of Plaintiffs' claim for hurricane damage.

58. DEFENDANTS breached their insurance contract by denying Plaintiffs' claim for hurricane damage without being able to conclusively and objectively determine the proximate and efficient cause of the losses.

59. DEFENDANTS breached their insurance contract by basing the denial of Plaintiffs' claim on a nonobjective and scientifically unreliable engineering report.

60. DEFENDANTS breached their insurance contract by intentionally relying on unreliable meteorological data and mischaracterizing, perverting, and ignoring valid meteorological data and eyewitness accounts in denying the claim.

61. DEFENDANTS breached their insurance contract by basing the denial of Plaintiffs' claim on engineering reports that were speculative, inconsistent and inconclusive as to whether the damage to the insured property was proximately and efficiently caused by wind.

62. DEFENDANTS breached their insurance contract by denying Plaintiffs' claim for hurricane damage despite the overwhelming evidence from the insured property, surrounding area, and eyewitnesses that the losses were caused by wind activity.

63. DEFENDANTS breached their insurance contract by unfairly treating and adjusting Plaintiffs' claim for hurricane damage differently than the few other similar claims for hurricane damage that it did provide coverage for and pay according to the terms of the insurance contract.

64. DEFENDANTS breached their insurance contract by negligently, grossly negligently, and/or recklessly failing to conduct an adequate, proper, honest, and good faith inspection, adjustment, and investigation of Plaintiffs' claim for hurricane damage prior to denying such claim.

65. DEFENDANTS breached their insurance contract by denying Plaintiffs' claim for hurricane damage without conducting adequate, proper, honest, and good faith adjustments, inspections, and investigations of Plaintiffs' claim for hurricane damage.

66. DEFENDANTS breached their insurance contract by basing the denial of Plaintiffs' claim for hurricane damage on inadequate investigations and inspections, and adjustments of Plaintiffs' losses.

67. DEFENDANTS breached their insurance contract by basing the denial of Plaintiffs' claim for hurricane damage on investigations, inspections and adjustments of adjusters who were unqualified to determine the proximate cause of the losses.

68. DEFENDANTS breached their insurance contract by failing to utilize objective meteorologists or engineers to determine the proximate cause of the losses prior to denying Plaintiffs' claims for hurricane damage.

69. DEFENDANTS breached their insurance contract by failing to construe the applicable insurance policy in favor of coverage for Plaintiffs' losses caused by hurricane wind, wind-driven debris, and water-borne debris.

70. DEFENDANTS breached their insurance contract by relying on an ambiguous and unenforceable anti-concurrent causation clause to improperly deny Plaintiffs' claim.

71. DEFENDANTS breached their insurance contract by failing to pay Plaintiffs' general contractor's overhead and profit, which was owed under the contract.

72. DEFENDANTS' breaches of contract have proximately caused Plaintiffs' economic and emotional damages.

81. DEFENDANTS breached the duty of good faith and fair dealing by denying Plaintiffs’ claims for hurricane damage without being able to conclusively and objectively determine the proximate and efficient cause of the losses.

82. DEFENDANTS breached the duty of good faith and fair dealing by basing the denial of Plaintiffs’ claims on nonobjective and scientifically unreliable engineering reports.

83. DEFENDANTS breached the duty of good faith and fair dealing by intentionally relying on unreliable meteorological data and mischaracterizing, perverting and ignoring valid meteorological data and eyewitness accounts in denying the claims.

84. DEFENDANTS breached the duty of good faith and fair dealing by basing their denial of Plaintiffs’ claim on engineering reports that were speculative, inconsistent and inconclusive as to whether the damage to the insured property was proximately and efficiently caused by wind.

96. DEFENDANTS' breaches of the duty of good faith and fair dealing in honoring its contract with the Plaintiffs has proximately caused economic and emotional damages that are compensable under Mississippi precedent.

**COUNT FOUR**  
**BAD FAITH AND TORTIOUS BREACH OF CONTRACT**

97. Plaintiffs hereby incorporate and adopt by reference each and every allegation set forth in all foregoing Paragraphs of the Complaint.

99. DEFENDANTS tortiously, maliciously and in bad faith breached the subject policy by denying Plaintiffs' claims without meeting the affirmative burden of proving at the

time of the denial by a preponderance of the evidence that Plaintiffs' direct physical losses were proximately and efficiently caused by "water damage," a peril excluded by the policy.

without being able to conclusively and objectively determine the proximate and efficient cause of the losses.

106. DEFENDANTS tortiously, maliciously and in bad faith without a legitimate or arguable reason breached the subject policy by basing its denial of Plaintiffs' claims on nonobjective and scientifically unreliable engineering reports.

107. DEFENDANTS tortiously, maliciously and in bad faith without a legitimate or arguable reason breached the subject policy by intentionally relying on unreliable meteorological data and mischaracterizing, perverting and ignoring valid meteorological data and eyewitness accounts in denying the claims.

108. DEFENDANTS tortiously, maliciously and in bad faith without a legitimate or arguable reason breached the subject policy by basing their denial of Plaintiffs' claims on engineering reports that were speculative, inconsistent and inconclusive as to whether the damage to the insured property was proximately and efficiently caused by wind.

109. DEFENDANTS tortiously, maliciously and in bad faith without a legitimate or arguable reason breached the subject policy by denying Plaintiffs' claims for hurricane damage despite the overwhelming evidence from the insured properties, surrounding area, and eyewitnesses that the losses were caused by wind activity.

110. DEFENDANTS tortiously, maliciously and in bad faith without a legitimate or arguable reason breached the subject policy by unfairly treating and adjusting Plaintiffs' claims for hurricane damage differently than the few other similar claims for hurricane damage that they did provide coverage for and pay.

111. DEFENDANTS tortiously, maliciously and in bad faith without a legitimate or arguable reason breached the subject policy by negligently, gross negligently, and/or recklessly

**COUNT FIVE**  
**WAIVER & ESTOPPEL**

121. Plaintiffs hereby incorporate and adopt by reference each and every allegation set forth in all foregoing Paragraphs of the Complaint.

122. DEFENDANTS had the obligation and duty to establish what, if any, part of Plaintiffs' losses fell under the terms of their policy exclusions. By declaring the burden of proof irrelevant and intentionally abandoning the burden of establishing what, if any, part of the losses was excluded and thereby shifting the burden of proof to Plaintiffs, DEFENDANTS waived their right to exclude any part of the losses.

123. DEFENDANTS denied Plaintiffs' claims for hurricane damage based on speculative, inconclusive, inconsistent, scientifically invalid and non-objective engineering reports. DEFENDANTS have therefore waived the right to utilize and/or rely on new or different engineers and/or meteorologists now to "mend the hole" or legitimize the basis for the denials after the fact, and should be estopped from doing so now.

124. DEFENDANTS' conduct and denial constitutes a waiver of the right to now inspect the insured properties; reinvestigate the causes of loss; or utilize engineers and/or meteorologists to do what should have been done prior to the denials. DEFENDANTS therefore waived the right to make any causal determination of the losses now that the matter is in litigation, and should be estopped from being able to conduct any kind of post-denial investigations, inspections of the insured properties, or utilization of different litigation experts to now determine the cause of the losses and "clean up" its adjustment process. DEFENDANTS should further be estopped from using litigation experts to now determine the cause of loss and justify its invalid denials.

**VI.**  
**JURY DEMAND**

125. Plaintiffs respectfully demand a trial by jury on all issues so triable.

**VII.**  
**REMEDIES**

126. Plaintiffs hereby incorporate and adopt by reference each and every allegation set forth in all foregoing Paragraphs of the Complaint.

127. As a direct and proximate result of DEFENDANTS' negligence, gross negligence, reckless disregard for Plaintiffs' rights as DEFENDANTS' insureds, breach of contract, breach of duty of good faith and fair dealing, bad faith and tortious breach of contract without a legitimate or arguable reason in fact or law, Plaintiffs are entitled to the following relief:

(A) Payment for all contractual benefits for all coverages afforded to Plaintiffs under the subject policy for damage to their insured residence and personal contents

caused by Hurricane Katrina, with interest on all amounts due Plaintiffs under their policies;

(B) With respect to "Additional Living Expenses" benefits owing under the policy, Defendant should be ordered to immediately pay all such benefits retroactive to August 29, 2005, with interest on all past-due amounts, and pay such benefits prospectively to the limits of coverage or the insured is no longer entitled to them;

(C) Prejudgment interest on the amounts owing to Plaintiffs in contractual or policy benefits with interest, retroactive to August 29, 2005;

(D) Compensatory damages on the tort claims for mental distress, emotional harm, and other losses and damages suffered by Plaintiffs as a proximate result on the denial of coverage and attendant breach of contract, all of which falls under the *Veasley* doctrine. Plaintiffs are entitled on their contract claims to consequential damages, including but not limited to the amounts Plaintiffs expended or lost in trying to subsist without insurance benefits since August 29, 2005. On all claims Plaintiffs are entitled to recovery for humiliation, stigmatization in the Plaintiffs communities, embarrassment, and mental distress proximately caused by DEFENDANTS' bad faith denial of their claim.

(E) For the intentionally tortious actions of DEFENDANTS, compensatory damages as described above, and further provided under Mississippi law, and Plaintiffs are entitled to recovery of their attorney fees and costs of litigation for such intentional acts committed by DEFENDANTS.

(F) Extra-contractual damages for DEFENDANTS' tortious, malicious, wilful, wanton, reckless, grossly negligent, and bad faith conduct, which arose to the

level of an independent tort, including but not limited to, compensatory damages for all out-of-pocket expenses incurred by reason of DEFENDANTS' refusal to pay contractual benefits, mental distress and/or emotional harm caused or contributed to by Defendants' bad faith refusal to honor their contracts of insurance, and pursuant to *Veasley* recovery of attorney fees and litigation expenses incurred by Plaintiffs by reason of Defendants' denial of insurance coverage, including mental distress, all out-of-pocket expenses and attorney fees and expenses incurred by Plaintiffs.

(G) Punitive and exemplary damages for DEFENDANTS' tortious, malicious, wilful, wanton, reckless, grossly negligent, and bad faith conduct which arose to the level of an independent tort, including but not limited to, an award of punitive damages sufficient to punish and deter DEFENDANTS and to discourage other insurers from engaging in such misconduct, taking into account DEFENDANTS' financial condition, all in an amount sufficient to achieve the public purposes underlying an award of punitive damages as may be determined by the Court and/or jury; prejudgment interest on all amounts in contractual benefits and compensatory damages awarded by the Court and/or jury; and all costs of the litigation, including but not limited to reasonable attorney fees, incurred in prosecuting this action and any subsidiary or auxiliary actions that arise in determining the losses of the individual Plaintiffs by reason of the non-payment of contractual benefits, in an amount to be determined by the Court following conclusion of all proceedings herein.

(H) An Order estopping DEFENDANTS from now inspecting the insured property or determining the cause of loss based on its denial and post-denial conduct.

128. Plaintiffs respectfully requests such further general or specific relief to which they are entitled at law or in equity.

### VIII.

#### CLASS ALLEGATIONS

129. All previous paragraphs are hereby incorporated as if fully set forth herein.

130. Members of the Class (collectively "Class Plaintiffs" or "Class Members" hereafter) alleged herein should have received payment for general contractor's overhead and profit with their initial payment from DEFENDANTS. Although the services of a general contractor were anticipated and required because of the loss and damage to Class Plaintiffs' dwellings, DEFENDANTS made no payment for general contractor's overhead and profit to Class Plaintiffs. DEFENDANTS frequently and arbitrarily fail to make payment for general contractor's overhead and profit when paying their insureds' claims for loss or damage to dwellings in Mississippi and throughout the United States.

131. Plaintiffs bring certain claims in this lawsuit on behalf of themselves, and all other persons similarly situated, pursuant to Fed. R. Civ. P. 23. The Class that Plaintiffs seek to represent consists of:

Any and all USAA insureds who received payments, directly or indirectly, from USAA for physical loss or damage to their dwelling, such dwelling located in the United States, at any time between August 15, 1998, and the date of class certification but who were not compensated for general contractor's overhead and profit. Excluded from the Class is/are: (1) USAA and all directors, officers, employees, partners, principals, shareholders and agents of USAA; (2) Persons or entities who timely opt-out of this proceeding using the correct protocol for "opting-out" that is formally established by this Court; (3) any and all Federal, State and/or Local Governments, including, but not limited to, their Departments, Agencies, Divisions, Bureaus, Boards, Sections, Groups, Councils and/or any other subdivision, and any claim that such governmental entities may have directly or indirectly; (4) Any currently-sitting Federal Court Judge or Justice, and the current spouse and all other persons within the third degree of consanguinity to such judge/justice; and (5) Plaintiff's Counsel.

132. If the Court should determine not to certify a nationwide class, then in the alternative, Plaintiffs seek certification of a Mississippi-only class. The class action section of this lawsuit seeks to address USAA's frequent and arbitrary practice of failing to pay overhead and profit on property damage claims in Mississippi and throughout the United States and concealing from USAA insureds, including Class Plaintiffs, that such payments were owed under their USAA insurance contract.

133. The Class comprises thousands of individuals who are geographically dispersed across the United States and across Mississippi. Joinder of the Class is impractical and the disposition of each Class Plaintiff's claims in a class action will provide substantial benefit to each Class Plaintiff and the Court system. The identities of Class Plaintiffs can be ascertained from USAA's records, either manually or through computerized searches.

134. Questions of law and fact common to the Class predominate over any questions affecting only individual Class Plaintiffs. The common questions of law and fact include:

- a. Whether USAA has a duty to adequately, fully, and fairly investigate and adjust the Class Members' insurance claims;
- b. Whether USAA has a duty to disclose material facts and information to Class Members;
- c. Whether Class Members are entitled to payment of general contractor's overhead and profit in connection with loss or damage to their dwelling;
- d. Whether Class Members are entitled to request payment for general contractor's overhead and profit in connection with loss or damage to their dwelling;
- e. Whether USAA failed to pay Class Members general contractor's overhead and profit in connection with loss or damage to their dwelling;
- f. Whether USAA improperly retained for itself monies that should have been paid to Class Members for general contractor's overhead and profit;

- g. Whether USAA notified Class Members of its policies and procedures regarding general contractor's overhead and profit;
- h. Whether USAA was unjustly enriched to the detriment of the Class Members through its retention of monies that should have been paid to Class Members as general contractor's overhead and profit;
- i. Whether USAA's conduct in connection with the overhead and profit scheme constituted a tortious breach of Class Members' USAA insurance contract;
- j. Whether restitution is an appropriate remedy for Class Members;
- k. Whether disgorgement is an appropriate remedy for Class Members;
- l. Whether Class Members are entitled to money damages for USAA's wrongful conduct;
- m. Whether Class Members are entitled to an injunction requiring USAA to disclose to all Class Members that they are entitled to submit a supplemental or additional request for payment for general contractor's overhead and profit in connection with any previous loss or damage to a dwelling;
- n. Whether Class Members are entitled to an injunction requiring USAA to disclose to all insureds in the future that such insureds may be entitled to general contractor's overhead and profit in connection with loss or damage to a dwelling.

135. The claims asserted by Plaintiffs are typical of the Class claims. Plaintiffs are USAA insureds. Plaintiffs received payment from DEFENDANTS for loss or damage to a dwelling. In connection with payment from DEFENDANTS for loss or damage to a dwelling, DEFENDANTS failed to pay Plaintiffs any amount for general contractor's overhead and profit ("O and P" sometimes hereafter). In mishandling Plaintiffs' claim as aforesaid, DEFENDANTS treated Plaintiffs in the same way that it treated all the Class Plaintiffs who had claims that entitled them to O & P but were not paid for O & P. *See* Plaintiff's USAA Adjuster Report and Repair/Replacement Cost Statement attached as Exhibit "B."

136. Plaintiffs will fairly and adequately represent the interests of the Class. The interests of the Class are coincident with and not antagonistic to those of Plaintiffs. Further, Plaintiffs have the ability to assist, intelligently, in the decision-making in connection with the litigation.

And Plaintiffs are represented by legal counsel who are both competent and experienced in this type of class action litigation.

137. DEFENDANTS' conduct in withholding payment of O & P in connection with the loss of or damage to a dwelling was consistent with policies and practices that are common to all Class Members. Consequently, common question of law and fact will predominate.

138. This Class Action is not only an appropriate method for the fair and efficient adjudication of this controversy but is, in fact, superior to all other available methods because:

- a. Joiner of the thousands of geographically diverse individual Class Members is impracticable, cumbersome and unduly burdensome;
- b. Class Members have no special or unique interest in individually controlling the prosecution of separate actions;
- c. Class Members' individual claims may be relatively modest when compared to the expense of litigating each Member's claim, thus making it impracticable, unduly burdensome and expensive, if not practically impossible, for individual Class Members to obtain redress for their loss;
- d. When the Defendant's liability has been adjudicated, claims of all Class Members can be determined by the Court and administered efficiently and in a manner far less onerous and burdensome than if attempted through the filing of individual lawsuits;
- e. This Class Action will promote an orderly and expeditious adjudication and administration of Class claims, and promote economies of time, effort and resources;
- f. This Class Action will assure uniformity of decisions among Class Members;
- g. Without this Class Action, Class Members will go without restitution or money damages;
- h. Without this Class Action, no restitution, disgorgement, or damages will be ordered and Defendant will be unjustly enriched and reap the benefits of the monies they have retained as a result of their wrongful and fraudulent conduct; and,
- i. The resolution of this controversy through this Class Action presents fewer management difficulties than individually filed lawsuits and conserves the

resources of the parties and the judicial system while protecting the rights of each Class Member.

139. Plaintiffs seek an injunction and equitable relief on behalf of Class Members. Plaintiffs seek full restitution to Plaintiffs and the Class of all amounts by which DEFENDANTS have been unjustly enriched, and Plaintiffs seek disgorgement of all DEFENDANTS' ill-gotten gains to preclude DEFENDANTS from retaining any benefit from their wrongful conduct. Plaintiffs also seek money damages.

#### **FRAUDULENT CONCEALMENT – TOLLING OF STATUTES OF LIMITATIONS**

140. DEFENDANTS had a duty to disclose to Plaintiffs and Class Members (collectively "Class Plaintiffs" sometimes hereafter) their entitlement to general contractor's overhead and profit.

141. Rather than disclose this information, DEFENDANTS actively and fraudulently concealed DEFENDANTS' obligation to pay O & P on the Class Plaintiffs' claims.

142. Although Class Plaintiffs acted with due diligence, they were prevented from discovering their claims by DEFENDANTS' fraudulent concealment. DEFENDANTS' fraudulent concealment tolls the running of any applicable statute of limitations.

#### **EQUITABLE ESTOPPEL – EQUITABLE TOLLING OF STATUTE OF LIMITATIONS**

143. DEFENDANTS concealed from Class Plaintiffs their entitlement to general contractor's overhead and profit.

144. DEFENDANTS' concealment prevented Class Plaintiffs from ascertaining that they were entitled to general contractor's overhead and profit and from asserting their rights.

145. The statute of limitations applicable to Class Plaintiffs' claims should be equitably tolled. Alternatively, as a consequence of DEFENDANTS' concealment of Class Plaintiffs'

entitlement to general contractor's overhead and profit, DEFENDANTS should be equitably estopped from asserting a statute of limitations as a defense to any of the Class Plaintiffs' claims.

### **MISCELLANEOUS**

146. Any condition precedent to the institution of this lawsuit has been performed, has occurred, or has been waived.

147. By filing this lawsuit, Plaintiffs neither intend to, nor in fact did, waive or release any right, claim, action, cause of action, or defense, nor do Plaintiffs make any election of remedies they may now or ever have, but, rather, Plaintiffs expressly reserve any such right, claim, action, cause of action, and/or defense.

### **COUNT ONE (CLASS CLAIM)**

#### **TORTIOUS BREACH OF CONTRACT**

148. All previous paragraphs are hereby incorporated as if set forth fully herein.

149. Class Plaintiffs each entered into an insurance contract with DEFENDANTS, by which DEFENDANTS agreed to provide coverage to Class Plaintiffs for a direct physical loss to Class Plaintiffs' property insured under the policy.

150. Class Plaintiffs each suffered a direct physical loss to their insured property and received either payment or an offer of payment from USAA. With this payment or offer of payment, USAA purported to fully compensate each Class Plaintiff for his or her loss.

151. However, DEFENDANTS negligently, grossly negligently, willfully, maliciously and/or intentionally breached the insurance contract with Class Plaintiffs by making payment to Plaintiffs for loss of damage to their dwelling without including any amount for general contractor's overhead and profit or by offering to make such payments, all purportedly in full and fair payment of their entire claim.

152. As a result of DEFENDANTS' negligent, grossly negligent, willful, malicious, and/or intentional breaches of contract, Class Plaintiffs suffered injuries and damages, entitling them to an award of both compensatory and punitive damages.

**COUNT TWO (CLASS CLAIM)**

**UNJUST ENRICHMENT**

153. All previous paragraphs are hereby incorporated as if set forth fully herein.

154. DEFENDANTS made payment to Class Plaintiffs for loss or damage to their dwellings without including any amount for general contractor's overhead and profit. DEFENDANTS' conduct in this respect is unfair, unjust, deceitful, wrongful, misleading and/or fraudulent.

155. Class Plaintiffs were entitled to payment of general contractor's overhead and profit. DEFENDANTS' conduct in this respect is unfair, unjust, deceitful, wrongful, misleading and/or fraudulent.

156. DEFENDANTS took unfair and/or undue advantage of Class Plaintiffs by making or offering payment for loss or damage to Class Plaintiffs' dwelling without including any amount for general contractor's overhead and profit.

157. DEFENDANTS fully appreciated the enrichment and benefit accorded to it by retaining monies that should have been paid to Class Plaintiffs as general contractor's overhead and profit.

158. DEFENDANTS' retention of monies that should have been paid to Class Plaintiffs as payment for general contractor's overhead and profit acted to benefit DEFENDANTS at the express detriment of Class Plaintiffs.

159. DEFENDANTS' retention of monies that should have been paid to Class Plaintiffs as general contractor's overhead and profit under the circumstances set forth herein not only constitutes an act of misconduct, but also is patently unfair, unjust, inequitable, dishonest and fraudulent in relation to Plaintiffs.

160. For all the above stated reasons, DEFENDANTS were unjustly enriched to the express detriment and disadvantage of Class Plaintiffs.

161. DEFENDANTS should not be allowed to retain any part of the monies they should have paid to Class Plaintiffs as general contractor's overhead and profit, nor the interest earned by DEFENDANTS on the O & P wrongfully withheld.

162. DEFENDANTS should be required to pay punitive damages to Class Plaintiffs under this unjust enrichment count.

#### **PRAYER FOR RELIEF (CLASS CLAIMS)**

WHEREFORE, PREMISES CONSIDERED, Plaintiffs pray for themselves and for all Class Members for the following relief against DEFENDANTS:

- a. Payment to Class Plaintiffs for all unpaid overhead and profit benefits for Class Plaintiffs' insured property, with interest on all amounts due;
- b. Prejudgment and post-judgment interest on all amounts owed to Class Plaintiffs under the insurance policy from the date this lawsuit was filed until said interest is paid;
- c. Compensatory damages, consequential damages and extra-contractual damages including attorney's fees Class Plaintiffs suffered as a direct, proximate or efficient result of DEFENDANTS' failure to pay overhead and profit; and

- d. Punitive and exemplary damages for DEFENDANTS' negligent, tortious, intentional, willful, wanton, grossly negligent breach of contract, which rose to the level of an independent tort;
- e. An injunction and equitable relief on behalf of Class Members. Class Plaintiffs seek full restitution of all amounts by which DEFENDANTS have been unjustly enriched, and Class Plaintiffs seek disgorgement of all DEFENDANTS' ill-gotten gains to preclude DEFENDANTS from retaining any benefit from its wrongful conduct. Class Plaintiffs also seek money damages.
- f. All other relief this Court deems appropriate.

**JURY DEMAND**

Plaintiffs demand a trial by jury on their class claims.

Respectfully submitted this the \_\_\_\_ day of July, 2009.

## SECTION I - PROPERTY COVERAGES

### COVERAGE A - Dwelling

We cover:

1. the dwelling on the residence premises shown in the Declarations, including structures attached to the dwelling;
2. materials and supplies located on or next to the residence premises used to construct, alter or repair the dwelling or other structures on the residence premises; and
3. permanently installed carpeting.

Except as specifically provided in SECTION I - ADDITIONAL COVERAGES, Land, we do not cover land, including land on which the dwelling is located.

### COVERAGE B - Other Structures

We cover other structures on the residence premises set apart from the dwelling by clear space. This includes structures connected to the dwelling by only a fence, utility line, or similar connection.

Except as specifically provided in SECTION I - ADDITIONAL COVERAGES, Land, we do not cover land, including land on which the other structures are located.

We do not cover other structures:

1. used in whole or in part for business; or
2. rented or held for rental to any person not a tenant of the dwelling, unless used solely as a private garage.

The limit of liability for this coverage will not be more than 10% of the limit of liability that applies to Coverage A. Use of this coverage does not reduce the Coverage A limit of liability.

### COVERAGE C - Personal Property

We cover personal property owned or used by an insured while it is anywhere in the world. At your request, we will cover personal property owned by:

1. others while the property is on the part of the residence premises occupied by an insured;
2. a guest or a residence employee, while the property is in any residence occupied by an insured.

Our limit of liability for personal property usually located at an insured's residence, other than the

residence premises, is 10% of the limit of liability for Coverage C, or \$1,000, whichever is greater.

Personal property in a newly acquired principal residence is not subject to this limitation for the 30 days from the time you begin to move the property there.

**Special Limits of Liability.** These limits do not increase the Coverage C limit of liability. The special limit for each numbered category below is the total limit for each loss for all property in that category.

1. \$200 on money, bank notes, bullion, gold other than goldware, silver other than silverware, platinum, coins and medals.
2. \$1,000 on securities, accounts, deeds, evidences of debt, letters of credit, notes other than bank notes, manuscripts, personal records, passports, tickets and stamps. This limit includes the cost to research, replace or restore the information from the lost or damaged material. This dollar limit applies to these categories regardless of the medium (such as paper or computer software) on which the material exists.
3. \$1,000 on watercraft, including their trailers, furnishings, equipment and outboard motors.
4. \$1,000 on trailers not used with watercraft.
5. \$1,000 for loss by theft of jewelry, watches, precious and semi-precious stones, fur garments, including any garment containing fur which represents its principal value.
6. \$2,000 for loss by theft of firearms.

8. (a) \$2,500 for business property at your residence.  
(b) \$250 for business property away from your residence.
9. \$3,000 on motorized golf carts and their equipment and accessories. But if, at the time of loss, there is an automobile policy covering physical loss to golf carts, then this policy does not apply to those golf carts and their equipment and accessories.

Includes copyright material of Insurance Services Office, with its permission.

**Property Not Covered.** We do not cover:

2. animals, birds or fish;
3. motor vehicles or all other motorized land conveyances. This includes:
  - a. equipment and accessories; or

    - (1) accessories or antennas; or
    - (2) tapes, wires, records, discs or other media for use with any such device or instrument.

while in or upon the vehicle or conveyance.

We do cover vehicles or conveyances not subject to motor vehicle registration which are:

- a. used to service an insured's residence; or
- b. designed for assisting the handicapped.

We also cover motorized golf carts and their equipment and accessories, subject to the provisions under Special Limits of Liability.

5. property of roomers, boarders, tenants, or other residents, not related to an insured;
6. property in an apartment regularly rented or held for rental to others by an insured, except as provided in ADDITIONAL COVERAGES, Landlord's Furnishings;
7. property rented or held for rental to others off the residence premises;
8. business data, including such data stored in:
  - a. books of account, drawings or other paper records; or
  - b. electronic data processing tapes, wires, records, discs or other software media.

However, we do cover the cost of blank recording or storage media, and of pre-recorded computer programs available on the retail market.

9. credit cards or fund transfer cards except as provided in ADDITIONAL COVERAGES, Credit Card, Fund Transfer Card, Forgery and Counterfeit Money.

**COVERAGE D - Loss Of Use**

The limit of liability for Coverage D is the total limit for all the coverages that follow.

1. **Additional Living Expense.** If a loss covered under Section - I makes that part of the residence premises where you reside not fit to live in, we cover the necessary increase in living expenses incurred by you so that your household can maintain its normal standard of living.

Payment will be for the shortest time required to repair or replace the damage or, if you permanently relocate, the shortest time required for your household to settle elsewhere, in either event, not to exceed 12 months.

2. **Fair Rental Value.** If a loss covered under Section - I makes that part of the residence premises rented to others or held for rental by you not fit to live in, we cover the fair rental value of that part of the residence premises rented to others or held for rental by you less any expenses that do not continue while the premises is not fit to live in.

Payment will be for the shortest time required to repair or replace that part of the premises rented or held for rental, but not to exceed 12 months.

3. **Prohibited Use.** If a civil authority prohibits you from use of the residence premises as a result of direct damage to neighboring premises by a loss covered under Section - I, we cover the Additional Living Expense or Fair Rental Value loss as provided under 1 and 2 above for not more than two weeks.

The periods of time under 1, 2 and 3 above are not limited by expiration of this policy.

We do not cover loss or expense due to cancellation of a lease or agreement.

No deductible applies to this coverage.

**ADDITIONAL COVERAGES****1. Debris Removal.**

- a. We will pay your reasonable expense for the removal of:
  1. debris of covered property if a Peril Insured Against that applies to the damaged property causes the loss; or

- a. repair or replace any part to restore the pair or set to its value before the loss; or
- b. pay the difference between actual cash value of the property before and after the loss.

- 5. **Appraisal.** If you and we do not agree on the amount of loss, either party can demand that the amount of the loss be determined by appraisal. If either makes a written demand for appraisal, each will select a competent, independent appraiser and notify the other of the appraiser's identity within 20 days of receipt of the written demand.

The two appraisers will then select a competent, impartial umpire. If the two appraisers are not able to agree upon the umpire within 15 days, you and we can ask a judge of a court of record in the state where the residence premises is located to select an umpire.

The appraisers will then set the amount of loss. If they submit a written report of any agreement to us, the amount agreed upon will be the amount of loss. If they fail to agree within a reasonable time, they will submit their differences to the umpire. Written agreement signed by any two of these three will set the amount of the loss. Each appraiser will be paid by the party selecting that appraiser. Other expenses of the appraisal and the compensation of the umpire will be equally paid by you and us.

**6. Other Insurance.** If a loss covered by this policy is also covered by other insurance, we will pay only the proportion of the loss that the limit of liability that applies under this policy bears to the total amount of insurance covering the loss. This policy does not apply to motorized golf carts and their equipment and accessories when an automobile policy also applies.

**7. Suit Against Us.** No action can be brought against us unless you have:

- given us notice of the loss;
- complied with all other policy provisions, and
- started the action within one year after the date of the loss.

**8. Our Option.** If we give you written notice within 30 days after we receive your signed, sworn proof of loss, we may repair or replace any part of the damaged property with like property.

**9. Loss Payment.** We will adjust all losses with you. We will pay you unless some other person is named in the policy or is legally entitled to receive payment. Loss will be payable 60 days after we receive your proof of loss and:

- reach an agreement with you;
- there is an entry of a final judgment; or
- there is a filing of an appraisal award with us.

**10. Abandonment.** You may not abandon property to us for any reason.

**11. Mortgage Clause.** The word "mortgagee" includes trustee.

If a mortgagee is named in this policy, any loss payable under Coverage A or B will be paid to the mortgagee and you, as interests appear. If more than one mortgagee is named, the order of payment will be the same as the order of precedence of the mortgages.

If we deny your claim, that denial shall not apply to a valid claim of the mortgagee, if the mortgagee:

- promptly notifies us of any change in ownership, occupancy or substantial change in risk of which the mortgagee is aware;
- pays any premium due under this policy on demand if you have neglected to pay the premium; and
- sends to us, within 60 days after our request, a signed sworn proof of loss which sets forth, to the best of the mortgagee's knowledge and belief:

- the time and cause of loss;
- the interest of the mortgagee and all others in the property involved and all liens on the property;

If we pay the mortgagee for any loss and deny payment to you:

- we are subrogated to all the rights of the mortgagee granted under the mortgage on the property; or
- at our option, we may pay to the mortgagee the whole principal on the mortgage plus any accrued interest. In this event, we will receive a full assignment and transfer of the mortgage and all securities held as collateral to the mortgage debt.

Subrogation will not impair the right of the mortgagee to recover the full amount of the mortgagee's claim.

**12. No Benefit to Bailee.** We will not recognize any assignment or grant any coverage that benefits a person or organization holding, storing or moving property for a fee regardless of any other provision of this policy.

**13. Salvage and Recovered Property.**

- We have an interest in the salvage value of any property for which we have made a payment under the Loss Settlement provision. At our option, property that we have paid for or replaced becomes our property.
- If you or we recover any property for which we have made payment under this policy, you or we will notify the other of the recovery. At your option, the property may be retained by you. If you retain the property, the loss payment, or any lesser amount to which we agree, must be refunded to us.

14. **Concealment or Fraud.** With respect to all insureds, the entire policy will be void if whether before or after a loss any insured has:

- intentionally concealed or misrepresented any material fact or circumstance;

**ADJUSTED BUILDING COST ENDORSEMENT**

It is agreed that the limit for SECTION I, Coverage A - Dwelling, shown in the Declarations of this policy, will be revised at each policy renewal to reflect the rate of change in the replacement cost of your dwelling. The resulting limit will be rounded to the next \$1000.

SECTION I, Coverages B (Other Structures), C (Personal Property) and D (Loss of Use) will also be adjusted. The rules then in use by us will determine the new limits for these coverages.

These limits will not be reduced without your consent.

You have the right to refuse any resulting change in limits. You must do so in writing before the effective date of such change. If you do reject the new limits, we will delete this endorsement from your policy.

We have the right to change to another replacement cost calculation tool as of any renewal date. We will give you at least 30 days prior written notice if we do this. Such change must apply to all similar policies issued by us.

Except as specifically modified in this endorsement, all provisions of the policy to which this endorsement is attached also apply to this endorsement.

**HOME PROTECTOR**  
(HO-3R only)

For an additional premium, Section I - Conditions, Item 3.b. Loss Settlement is deleted and replaced by the following:

**b. Home Protector Coverage Loss Settlement**  
- Buildings Covered Under Coverages A or B. If you comply with the requirements of Item c., HOME PROTECTOR COVERAGE REQUIREMENTS, the Home Protector Loss Settlement applies.

For covered property losses to buildings, under Coverages A and B, and outdoor antennas and outdoor equipment, whether or not attached to buildings, we will pay the amount actually and necessarily spent to repair or replace the damaged building.

If, as a result of a covered loss,

- (1) the limit of liability applying to buildings covered under Coverages A or B is exhausted;
- (2) the limit of liability provided under ADDITIONAL COVERAGES, Debris Removal is exhausted;
- (3) the limit of liability provided under ADDITIONAL COVERAGES, Building Ordinance or Law is exhausted;

then, we will pay up to an additional 25% of the limit of liability applying to the damaged building. The most we will pay for (1), (2), or (3), either singly or in any combination is 25%.

When the cost to repair or replace the damaged building is more than \$2500, we will pay no more than the actual cash value of the damage until the repair or replacement is completed.

**c. Home Protector Coverage Requirements.**  
You agree:

- (1) that you will insure your buildings under Coverages A and B for the full replacement cost at the time this policy is issued; and
- (2) that each year you will accept any increase in coverage that results from the application of the Adjusted Building Cost endorsement if it is deemed necessary by us. You must pay for any added premium;

and

- (3) that you will tell us within 90 days of the start of any additions or other physical changes to buildings on the residence premises which increase the value \$5000 or more. You must pay any resulting premium.

If you fail to comply with these requirements, then, covered property losses will be settled as outlined in Item d, LOSS SETTLEMENT-BUILDINGS UNDER COVERAGES A AND B.

**d. Loss Settlement - Buildings Covered Under Coverages A and B.** If you fail to comply with the requirements listed in Item c., HOME PROTECTOR COVERAGE REQUIREMENTS, covered property losses will be settled at replacement cost without deduction for depreciation, subject to the following:

(1) If, at the time of loss, the amount of insurance in this policy on the damaged building is 80% or more of the full replacement cost of the building immediately before the loss, we will pay the cost to repair or replace, after the application of the deductible and without deduction for depreciation, but not more than the least of the following amounts:

- (a) the limit of liability under this policy that applies to the damaged building;
- (b) the replacement cost of that part of the building damaged for like construction and use on the same premises; or
- (c) the necessary amount actually spent to repair or replace the damaged building.

(2) If, at the time of loss, the amount of insurance in this policy on the damaged building is less than 80% of the full replacement cost of the building immediately before the loss, we will pay the greater of the following amounts, but not more than the limit of liability under this policy that applies to the building:

- (a) the actual cash value of that part of the building damaged; or

HO-125 (04-93)

- (b) that proportion of the cost to repair or replace, after application of the deductible and without deduction for depreciation, that part of the building damaged, which the total amount of insurance in this policy in the damaged building bears to 80% of the replacement cost of the building.
- (3) To determine the amount of insurance required to equal 80% of the full replacement cost of the building immediately before the loss, do not include the value of:
  - (a) excavations, foundations, piers or any supports which are below the undersurface of the lowest basement floor;
  - (b) those supports in (a) above which are below the surface of the ground inside the foundation walls, if there is no basement; and
  - (c) underground flues, pipes, wiring and drains.
- (4) We will pay no more than the actual cash value of the damage unless:
  - (a) actual repair or replacement is complete; or
  - (b) the cost to repair or replace the damage is both:
    - (i) less than 5% of the amount of insurance in this policy on the building; and
    - (ii) less than \$2500.
- (5) You may disregard the replacement cost loss settlement provisions and make claim under this policy for physical loss to buildings on an actual cash value basis. You may then make claim within 180 days after loss for any additional liability on a replacement cost basis.

Except as specifically modified in this endorsement, all provisions of the policy to which this endorsement is attached also apply to this endorsement.
